Esprinet to increase stake in Celly's share capital to 80%

Additional 20% of shares to be acquired from GIR S.r.l.

Vimercate (MB), June 30th 2015 - Esprinet S.p.A. (Borsa Italiana, PRT) signed a binding agreement regarding the acquisition of a 20% stake in Celly S.p.A. (www.celly.com), an Italian company active in the wholesale distribution of accessories for mobile phones, whose 60% of shares was already owned by Esprinet.

Seller is GIR S.r.l., a company totally owned by Claudio Gottero, Celly's former co-Chief Executive Officer.

The transaction is part of the agreements aimed at regulating the termination of any relationships between Celly and Claudio Gottero.

Purchase price for the 20% of shares has been fixed at € 1.99 million, thus implying a 100% equity value of € 9.95 million.

Stefano Bonfanti remains as owner of remaining 20% of shares by keeping its powers as Chief Executive Officer.

Statement according to art. 154-bis, paragraph 2 Legislative Decree n.58/1998 (T.U.F.)

The Financial Reporting Officer, Pietro Aglianò, declares that, in compliance with the provisions of paragraph 2 of Art. 154-bis of Legislative Decree n. 58/1998 (so called "T.U.F.-Testo Unico della Finanza"), the financial data reported in the press release herein correspond to the findings resulting from accounting documents, books and accounting records.
